

01. MASTRU KOLA

[Intro – cheerful bells, claps, brass band]

Hey hey!

Christmas time in Malta town

Lights are shining all around

Come along, don't wait—let's go!

Here comes MASTRU KOLA!

[Verse 1]

From the streets of Malta bright,

With stars that glow in winter night,

He walks with joy, a sack in hand,

Bringing love across the land.

With the crib and Baby's light,

Keeping Christmas warm and right,

Not just gifts, but hearts he fills,

With kindness more than gold can give.

[Pre-Chorus]

He sees the children, smiles so wide,

No one gets left out tonight,

Every tear he turns to cheer,

When MASTRU KOLA is near!

[Chorus]

MASTRU KOLA, here we go!

Spreading love in every home!

DONINU MALTA by his side,

Helping hearts far and wide!

Clap your hands and sing out loud,

Joy and laughter make us proud!

For the children, for the light,

We bring Christmas shining bright!

[Verse 2]

He loves the children, that's his way,

Bringing hope on Christmas Day,

Families who struggle, feel his care,

Because he's always there.

Persons with disabilities too,

He sees the strength in all they do,

Not with pity, but with pride,

Standing strong right by their side.

[Pre-Chorus]

Hand in hand, they lead the way,

Turning night into bright day,

Love is louder than the fear,

When DONINU is here!

[Bridge]

No money, no fame, no need for gold,

Just hearts that care, that won't grow cold,

They give their time, they give their all,

They answer every silent call.

From every child with dreams so small,

To those who feel they've lost it all,

They lift them up, they stand so tall,

Together they will never fall.

[Final Chorus]

MASTRU KOLA, loud and clear!

Christmas magic every year!

DONINU MALTA standing strong,

Helping right what once was wrong!

Sing together, hand in hand,

Love will heal across the land!

For the poor and those in need,

We are Christmas—yes indeed!

[Outro]

So remember when you see...

A smile, a gift, a helping hand...

That's the spirit...

Of MASTRU KOLA...

And DONINU MALTA

Merry Christmas... to all...
